Tracey Lea Borysko, BA, CDP**

**September 24<sup>th</sup>**

**10:00am to 5:00pm**

**This course provides first responders, that work with those with dementia, a common framework about Alzheimer's disease and related dementias (ARD), a best-abilities perspective, dementia stages, behavior management, and care techniques to promote the best ability to function. This course will equip the first responder with the necessary information to successfully interact, interview, and de-escalate individuals with dementia related issues. This is a bridge between Crisis Intervention Team and Elderly Service Officer disciplines. Individuals who complete the Foundation Course and pass a free follow-up certification exam within six months can earn Dementia Care Specialist Certification.**
